

Report 6/2017 refers to: Information on collaboration with Computer Group PAKT

The Management Board of SIMPLE S.A. (Issuer, Company) informs that on 13 March 2017 received two orders from Computer Group PAKT Witecki, Marciniak Spółka Jawna (Contracting Party) amounting to PLN 0.40 M net and PLN 0.55 M net accordingly for the performance of the IT works under the framework agreement between the Contracting Party and the Issuer.

The aforementioned orders are the next orders from the Contracting Party placed within the last year. Having regard to the above, the Issuer shall inform that the annual amount of orders between the Issuer and the Contracting Party amounted to PLN 2.56 M net.

The orders shall specify the scope and specification of works, price and the performance time. The detailed principles of collaboration for these orders shall be of the framework agreements nature. The scope of responsibilities due to performance of the relevant orders shall not differ from the arm's length principles. The Issuer shall grant the warranty for 12 months.

The others terms and conditions of the orders, including the termination of collaboration shall not differ from the commonly applied terms and conditions.
